

EFFECTION X-2200

Specifications:

BATTERY DESIGN:

- Absorbent Glassmat technology (AGM)
- 12V VRLA **DIN** Battery
- Can be mounted in any orientation
- US-DOT and IATA certified non-spillable
- Sealed Construction
- Can be install metal case
- Shipped fully charged – just install and go

FEATURES:

- CAP: 84Ah
- Internal resistance: <3,5mOhm
- Peak Discharge: >3500A
- Reserve Capacity n.A. Minutes
- Operation Temperature Range: -20°C to 50°C
